BetterGrain™

Simulated Wood Grain Finish for Harvey Vinyl Windows

Get the maintenance-free performance of vinyl and the aesthetic appeal of wood with BetterGrain™ finishes.

BetterGrain™ features

No longer will you have to choose between the maintenance-free performance of vinyl and the look of wood! Harvey's new BetterGrain™ finishes provide a natural wood look on select Harvey vinyl windows. BetterGrain™ is a revolutionary dual-process painted wood grain finish that mimics the qualities of natural wood better than veneers, laminates, foils or other alternatives. Available in three popular finishes, BetterGrain™ will match the interior of any home.

- BetterGrain™ interior finishes provide the beauty and feel of wood with the proven performance of vinyl
- Available in Pine (light), Red Cedar (medium), and Dark Oak (dark)
- Revolutionary dual painting process; base coat plus grained top coat
- Available on Tribute double hung windows as well as a variety of accessory windows and patio doors
- Ten year warranty on BetterGrain™ finishes
- Touch-up kit included
- Window trims can be stained using the leading brands for a perfect matching look

Currently available in three finishes, BetterGrain™ creates an interior finish on vinyl windows that resembles the traditional look and feel of wood grain.

Pine

Red Cedar

Dark Oak

Due to printing limitations, finishes shown are for representation only.
